CAMINA GESTIÓN & CAPITAL COMPANY

CAMINA GESTION & CAPITAL is an independent Operations Consulting firm created in 2001 by professionals with great experience in the areas they serve. Since its establishment the company has participated in various projects, advising, in many instances, leading companies in their segments.

We base our activity in two areas:

Business Consulting

We accompany our customers in growth and diversification processes and special situations that demand taking business decisions, always from a maximum involvement and commitment position.

Operations Consulting

Investment / Divestiture Operations
Venture Capital Operations
Capital Increases
Sale / Purchase of Real State Assets

CAMINA GESTIÓN & CAPITAL

OUR VALUES

LOYALTY AND COMMITMENT with our customers, giving preference to their interests above ours, feeling that we are part of the project from the beginning and being beside our customer until achieving the desired goal.

HONESTY AND INTEGRITY in the relationship with our customers, we tell the truth the way we see it, we look for a real solution to situations, and our mission is your company or project.

PROFESSIONALISM in regard to the organization, searching internal support....
To work in a professional manner with respect towards the organization and searching internal support to build together our customized proposal.

OUR CUSTOMERS ARE OUR BEST REFERENCE
